

# LONDON ZOO

a ZSL conservation zoo

## The Roarsome Animals in London

**This checklist has been designed to help you make  
the most of your visit to the Zoo.**

**Try to find the following mystery images on each of  
our routes. Tick each box when you have found  
them. Good luck!**

**Co-designed with the students  
of Roots and Shoots and Lambeth  
Colleges who participated in  
Lenoard Cheshire's 'Can Do'  
programme!**

## Into Africa - Quiet

Africa is home to many dangerous, beautiful and roarsome animals. Here we have the opportunity to come eye to eye with some of Africa's most iconic beasts.

Found

## Butterfly Enclosure - Busy

Throughout this massive caterpillar, you may encounter the beautiful Postman Butterfly, Zebra Longwing, or even the largest moth ever the Atlas moth!

Found

Found

Found

## Three Island Pond - Quiet

This peaceful enclosure is used for our flocks of flamingos and pelicans, but you may spot an occasional friendly duck or buzzing bee!

Found

Found

## Blackburn Pavilion - Quiet

An important part of ZSL London Zoo's history, Blackburn Pavilion provides a tranquil home for more than 50 different species of birds.

## The Outback - Quiet

Here in the outback lies the Mappin terraces, where events have been held since 1913. Here is also where Christopher Robin first met the bear Winnie that would inspire the Winnie the Pooh books.

Found

Found

Found

## Gorilla Kingdom - Busy

These beautiful gorillas live in small groups and are very protective of those in their circle; It can even take up to 2-3 months for them to recognise and accept a new zookeeper!
