

A penguin is shown swimming underwater, carrying a long, dark stick in its beak. The penguin has a black and white patterned body and a long, dark beak. The background is a clear, light blue water with some bubbles visible.

LONDON ZOO

a ZSL conservation zoo

The London Zoo Story

LONDON
ZOO

a ZSL conservation zoo

ZSL London is a Zoo

This means it is a
place where I can
see animals

When I visit London Zoo

Outside I might see:

LONDON
ZOO

a ZSL conservation zoo

Giraffes

Penguins

Lions

Gorilla

When I visit London Zoo

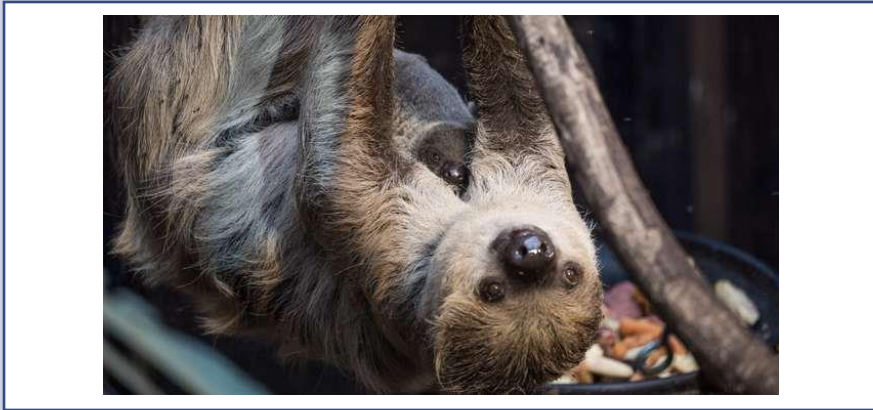

Inside I might see:

LONDON
ZOO

a ZSL conservation zoo

Sloth

Komodo Dragon

Crocodile

Red and Yellow Barbet

When I visit London Zoo

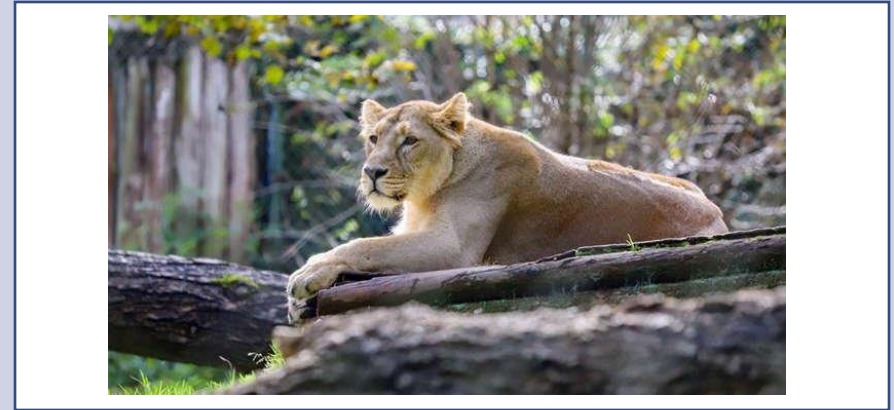

I might hear:

Macaws

Lions

Otters

Penguins

When I visit London Zoo

I might taste:

LONDON ZOO

a ZSL conservation zoo

Seasonal Food

Treats

Ice Cream

Fruit

When I visit London Zoo

I might smell:

LONDON
ZOO

a ZSL conservation zoo

Fish

Poo

Food

Animal Smells

Quiet places

- 1 Blackburn Pavilion
- 2 Tiger Territory Benches
- 3 The Outback
- 4 Meerkats and Otter Benches

Most of all ZSL London Zoo is a place where I can have fun and learn
